

Welcome to SkyTop ORCHARD

www.SkyTopOrchard.com

Welcome to Sky Top Orchard. We're glad you're here!

We offer u-pick, prebagged apples and fruit as well as other fall goodies in the fruit stand. Here's how to make the most of your visit with us.

U-Pick (Priced by volume)

Picking apples is as easy as 1-2-3

- 1) Visit our Sampling Table if you need help deciding what apples you want and pick up a map to locate your varieties.

No sampling allowed in the orchard.

- 2) See an attendant to get a basket and pre-purchase apples. Though you can purchase as many apples as you like, one peck basket per group of 6 people is required to enter U-Pick. Head out into the orchard to pick.
- 3) Once your basket is full, return to the fruit stand and bag ALL the apples you picked. Discarding apples is not permitted.

Prebagged Fruit (Priced by Volume)

For your convenience, we offer prebagged apples in the fruit stand. Tables are in center of stand. Signs describe varieties.

- If you aren't sure what you like or need, visit the Sampling Table at the front of fruit stand
- Select size you need – ½ peck, peck or ½ bushel
- Continue shopping the fruit stand for fall goodies then bring your items to checkout

Doughnuts, Jams, Jellies, Pies, Cider...

It wouldn't be fall without apple cider doughnuts, apple cider, pies and other fall goodies.

- Hot doughnuts are located at the donut window in the front of the fruit stand and can be purchased separately OR you can buy fresh, pre-boxed doughnuts at the main registers.
- Jams, Jellies and fall favorites are located to the right of cash registers in the rear of the stand.
- Apple cider and pies can be purchased at the main cash registers. Kettle corn is available at popping station or register.

By entering Sky Top Orchard, visitor assumes all risk and agrees that Sky Top Orchard shall not be held responsible for any accident or injury occurring on the premises. You further agree by visiting, to allow your image to appear in photographs or video used for advertising or commercial purposes without compensation or attribution. Please be kind to bees you encounter & be aware in their presence. Bees are a natural & necessary part of an orchard.

To ensure that everyone has a great time, we ask that you follow the rules below. Thank you and have a wonderful visit!

- 🍎 **Dogs** are welcome in the orchard provided they remain on leash at all times. We ask that you clean up after them and be conscientious around other guests and our farm animals. Dogs are not allowed in the fruit stand/store area.
- 🍎 **Be Picky with Your Picking.** Before you pluck that apple from the tree, make sure it's the one you want. We ask that you keep and pay for any apple that you pick. *Picking Tip: Lift apple gently toward the stem. Twist then pluck to avoid damaging the tree or fruit.*
- 🍎 **Sample in the Store, Not in the Orchard.** Visit our Sampling Table and try before you buy. We'll show you where to find your favorites on the map.
- 🍎 **Wagon Use:** Wagons are for transporting baskets and not for riding. **Please return wagons to stand when finished so others may use them.**
- 🍎 **Baskets:** Baskets are fun and add to the nostalgia of the visit & photos. We just ask that parents select baskets, keep track of them and return them to fruit stand when finished. **No baskets in parking lot.**
- 🍎 **Stay Together.** Make the most of today's experience by staying together. Please do not allow children to venture into the orchard unattended. This is a great time to make FAMILY memories.
- 🍎 **Be Kind to the Orchard.** The orchard is here for everyone's enjoyment so we ask that you:
 - Do not throw, smash or play with apples.
 - Do not climb, swing on, pull leaves off, break branches or damage trees
