

**Welcome to Sky Top Orchard. We're glad you're here!**

We offer U-pick plus prebagged apples, fruit and other fall goodies in the Fruit Stand. Here's how to make the most of your visit with us. **Masks required in Stand.**

**U-Pick (Priced by Basket)**

Pick fresh apples & Asian pears right off the tree!

- 1) See an attendant to get a basket, map, instructions and to pre-pay for U-Pick. Though you can purchase as many apples as you like, one basket per group of 6 people is required to enter the U-Pick area. Head out into the orchard to pick.
- 2) Fill your basket until apples are just even/level with the top of the basket. That's it! Baskets are yours to keep. Feel free to walk around the Fruit Stand and Orchard after you pick.

*Sampling in Orchard is not allowed.*

*Sorting/discarding apples is not permitted.*

*Overages will be charged at a per pound rate.*

**Prebagged Fruit & Mix-N-Match**

If you don't want to U-Pick or want to supplement your pickings, you can find prebagged apples and fruit in the stand. Look for hanging apple signs. *Priced by Volume.*

- Select size you want – ½ peck, peck or ½ bushel. Bags are pre-filled so no sorting allowed here.

If you want a few of each variety or want to hand select each apple, visit the Mix-N-Match tables. Mix-N-Match is priced by the pound.

**Doughnuts, Jams, Jellies, Cider, Kettle Korn, Pies...**

It wouldn't be fall without apple cider doughnuts, apple cider, pies and other fall goodies.

- Hot doughnuts are located at the Doughnut Building in the front of the Fruit Stand and can be purchased separately OR you can buy fresh, pre-boxed doughnuts at the main registers.
- Jams, Jellies and fall favorites are located at the rear of the stand in the Farmer's Market
- Apple cider and Kettle Korn can be purchased at the main cash registers.
- Fresh Baked Pies and other baked items can be purchased at the Bakery in front of the Farmer's Market at the rear of the Fruit Stand.

**Thank you! Have a great visit!**

**Rules & Policies**

*To ensure that everyone has a great time, we ask that you follow the rules below. Thank you and have a wonderful visit!*

- 🍎 **Dogs** are welcome in the orchard but they must remain on leash at all times. We ask that you clean up after them and be conscientious around other guests and our farm animals. **Dogs are not allowed in Fruit Stand/store area.** Follow Paw Path signage.
- 🍎 **Be Picky with Your Picking.** Before you pluck your apple, make sure it's the one you want. We ask that you keep any apples that you pick. Dropped apples can't be used and they attract yellow jackets. *Picking Tip: Lift apple gently toward the stem. Twist then pluck to avoid damaging the tree or fruit.*
- 🍎 **Wagon Use:** Wagons are for transporting apples and in-store items but not for riding. Please return wagons to Fruit Stand rather than leaving in Orchard so they'll be available for other guests.
- 🍎 **Baskets:** Baskets are fun and add to the nostalgia of the visit & photos. This year, when you purchase U-Pick apples, the basket is included in the purchase price and is yours to keep and take home with you.
- 🍎 **Stay Together.** Make the most of today's experience by staying together. This is a great time to make FAMILY memories. Please do not allow children to venture into the orchard unattended.
- 🍎 **Be Kind to the Orchard.** The orchard is here for everyone's enjoyment so we ask that you:
  - Do not throw, smash or play with apples.
  - Do not climb, swing on, pull leaves off, break branches or damage trees
- 🍎 **Follow Other Rules in the Orchard** Some areas like the animal area, apple cannon and Sky Decks may have additional rules so please watch for signs and follow rules for your protection and others.

*By entering Sky Top Orchard, visitor assumes all risk and agrees that Sky Top Orchard shall not be held responsible for any accident or injury occurring on the premises. You further agree by visiting, to allow your image to appear in photographs or video used for advertising or commercial purposes without compensation or attribution. Bees are a natural & necessary part of an orchard. Please be kind to bees you encounter & be aware in their presence.*
